

Thank you for your interest in Xenophon!

Please complete and return the enclosed forms. They must be filled out completely. The Student Medical History and Physician's Statement must be filled out and signed by the student's medical doctor. This form must be updated annually.

Once Xenophon receives the completed application packet, the student's name will be entered onto our wait list. You will be called when there is an opening. If you have any questions, please contact Xenophon's Program Director, Danielle Coburn at (925)377-0871 or danielle@xenophontrc.org.

When your child comes for lessons, he/she will be provided with a helmet. We ask that students wear closed-toed shoes; tennis shoes are okay. The student may wear either shorts or long pants, whichever is most comfortable.

All therapeutic riding lessons are weekly, for duration of 30 minutes. We operate from mid-February through mid-November.

We require full payment at the start of each session. Sessions typically include 7 weeks (\$45 x 7 = \$315). Scholarships are available if needed; for more information please contact the Program Director.

We request that you give us 24 hour notice if you are not able to make your lesson. We do not refund for missed lessons. If you miss three lessons, without giving us notice, your spot will be given to another child. If we have to cancel lessons due to weather or some other unforeseen circumstance, we will do our best to offer a make-up class. If we are unable to offer a make-up class, a lesson fee of \$45 will be refunded.

Again, thank you for your interest and we look forward to having your child ride with us!
