

XENOPHON THERAPEUTIC RIDING CENTER VOLUNTEER BACKGROUND SCREENING

Training
Date _____

As a volunteer, you'll be working with our vulnerable community. Volunteers (over the age of 18) are therefore required to consent to a background screening (which does NOT include DMV or financial information). This will need to be completed before you're able to schedule an official volunteer shift at Xenophon Therapeutic Riding Center. This screening is conducted by Sterling Volunteers, a company recommended by our insurer and many PATH centers. Each screening costs \$23, which is to be paid by the volunteer.

The process is that you will receive an E-vite email from Sterling Volunteers providing a link to their site to create an account. They will gather basic information and consent for the background screening. We ask that you promptly respond to the email so as not to delay completion of the screening.

The screening includes a search of the National Criminal Database, National Sex Offender Database and OFAC. It does NOT include DMV or financial information.

The results of the screening are reported to Xenophon and the volunteer.

<p><input type="checkbox"/> I consent to have a background screening performed and the results reported to Xenophon TRC's Executive Director and I understand the cost is \$23.</p> <p><input type="checkbox"/> I DO NOT consent to have a background screening performed and the results reported to Xenophon TRC Executive Director and I understand this disqualifies me from volunteering.</p> <p><input type="checkbox"/> I am under 18 years of age</p> <p>Signature (Parent Guardian if under 18) _____</p> <p>Date _____</p>
